

**20. LIGGINS STREET - TREES**

RR 10331

Residents of Liggins Street had approached the Council and sought the removal of trees. The requested was considered by the Burwood/Pegasus Community Board which reported on the consultations with residents and the options available. On investigation the Community Board recommended to the City Services Committee that the trees in Liggins Street not be removed and that the Parks Unit continue to respond to residents' request to undertake acceptable pruning.

It was **resolved** that the recommendation of the Burwood/Pegasus Community Board be adopted.
