

19. STREET TREE - 63 KINGSFORD STREET

RR 10332

The Council received a request from two residents of Kingsford Street to remove a street tree from outside their property. The report was considered by the Burwood/Pegasus Community Board which recommended to the City Services Committee:

1. That the tree not be removed.
2. That the tree be pruned as outlined in the report (thinning of the crown of the tree).
3. That the Parks Unit be requested to make a priority the replacement of trees in this street in consultation with residents.

The Committee **resolved** that the recommendations of the Burwood/Pegasus Community Board be adopted.
