

1. ELECTED MEMBER REPRESENTATION ON FRESH START INC

The Committee discussed a letter from the Canterbury Regional Committee of Fresh Start Inc requesting Councillor representation on the Committee.

The organisation's aims are to assist those returning to the community from prison in obtaining employment, and the appointment of an elected representative to the Committee had been the subject of previous discussions, and support, from both the Mayor and the Chairman.

Recommendation: That Councillor Carole Anderton be appointed as a representative from the Christchurch City Council on the Canterbury Regional Committee of Fresh Start Inc.
