

**5. BUILDING AND PLANNING ADVICE  
FENDALTON LIBRARY & SERVICE CENTRE**

RR 10357

The Committee received a report from the Environmental Services Manager outlining the unit's plans to eventually centralise its building and planning operations and to consider the level of building and planning advice which should be provided from the new Fendalton Library and Service Centre.

The Committee **decided**:

1. That the Committee notes the intention to eventually centralise all four Area Development Teams at the Civic Offices once suitable space becomes available.
2. That the level of building and planning advice provided at the Fendalton Service Centre be no less than that currently provided at the 'B' Service Centres.
3. That an appointment service be offered for specialist building and planning advice at the Fendalton Service Centre for three months following the Area Development Team's shift to the Civic Offices.
4. That this report be referred to the Shirley/Papanui and Fendalton/Waimairi Community Boards for information.

(Note: Councillors Robin Booth and Pat Harrow recorded their votes against this decision.)
