

**8. WORKS AND TRAFFIC SAFETY COMMITTEE
- REPORT OF 13 JULY 1999**

RR 10376

Submitted for the Board's consideration was the report and accompanying recommendations of the Committee meeting held on 13 July.

On the various matters, the Board **decided** as follows:

Tudor Avenue/Gothic Place – Traffic Calming Request

That consideration be given to possible traffic calming options in Tudor Avenue in conjunction with the affected residents and that this follow the August New Zealand Local Authority Traffic Institute Conference.

Christian Street/Pitcairn Crescent – Vehicle Speed Reduction Request

That options such as the use of flags and warning signs be discussed with the kindergarten and the affected residents and that this occur following the New Zealand Local Authority Traffic Institute Conference in August.

Otara Street –Kerb and Channel Renewal

That Option 1 along with an 8 metre threshold at the Otara Street/Hamilton Avenue intersection be endorsed for circulation for public comment.

Poynder Avenue – Kerb and Channel Renewal and Street Trees Update

That the information be received.

Memorial Avenue – Planting Project

That the update report be received.

Merivale Reserve – Landscape Concept

That the landscape concept for the reserve in Rugby Street be endorsed for circulation for public comment at the appropriate time.
