

24. BYRON STREET GOODS SERVICE VEHICLE LOADING ZONE

The Board considered a report recommending the creation of a goods service vehicle loading zone in Byron Street on the southern side of the street adjacent to the Buchan Street intersection.

The Board **resolved** that a loading zone for goods service vehicles only be created on the southern side of Byron Street commencing at a point 10 metres measured in a westerly direction from a point opposite the western kerblines of Buchan Street and extending in a westerly direction for a distance of 30 metres.
