LINWOOD HIGH SCHOOL YOUTH EVENT

The Board received a request from the Event Manager of Linwood High School for a contribution from the Community Board towards sponsorship for a multimedia youth event entitled “EFMERAL II CATALIST”.

The purpose of this project was to “create the opportunity for students of Linwood High School to receive practical experience at staging a multimedia event and to give national and international exposure to original New Zealand music through the media of radio, television and the internet.”

The Board **resolved** to provide a grant of \$1500 to the Linwood High School to support the Multimedia Youth Event.
