

28. DUBLIN STREET RESIDENTS' PARKING AREA

The Board considered a report seeking approval for the creation of a parking area for residents' cars in Dublin Street.

A resident in one of a block of four flats has requested a residents' carpark. This is an older property where only two spaces have been provided for four flats. It is proposed to create one space for a residents' car on the west side of Dublin Street immediately north of the intersection with Dorset Street.

The Board **resolved** that the parking of vehicles be restricted to vehicles displaying a residents' permit on the western side of Dublin Street commencing at a point 6 metres measured in a northerly direction from a point opposite the northern kerbline of Dorset Street and extending in a northerly direction for a distance of 12 metres.
