

1. MAJOR HORN BROOK ROAD – PARKING RESTRICTIONS RR 10360

Officer responsible City Streets Manager	Author Lorraine Wilmshurst, Area Engineer
Corporate Plan Output: Street Markings and Signs	

The purpose of this report is to recommend to the Council that a 5 minute parking restriction be installed outside Mt Pleasant School.

Mt Pleasant School has a congestion problem on Major Hornbrook Road at the beginning and end of the school day. The school asked for this problem to be investigated and after a site meeting with the School Board of Trustees it has been suggested that a school drop off zone be created.

A 5 minute parking restriction between 8.30 and 9.30 am and 2.30 and 3.30 pm will give parents who are stopping for a short period to pick up and deliver children, a place to park. This will reduce congestion at the school gate and the number of vehicles parking on the broken yellow no parking lines to the south of the school.

Recommendation: That a “P5 8.30 –9.30 am and 2.30 – 3.30 pm” be installed on the west side of Major Hornbrook Road commencing at a point 31 metres from its intersection with Billys Track and extending in a northerly direction for a distance of 18 metres.
