

11. DEPUTATIONS BY APPOINTMENT

FERRIER PARK PINE TREE

Mr Richard Venning, 16A Wittys Road, addressed the Committee on behalf of a number of residents whose properties adjoin Ferrier Park and sought the removal of a large pine tree in Ferrier Park on safety and nuisance grounds. Mr Venning requested that the tree be replaced with another mature tree planted an appropriate distance from the park boundary, or alternatively that the tree be replaced with a shrub garden.

Mr Venning advised that the four affected residents were prepared to contribute \$300 per household towards the cost of the replacement plantings.
