

**17. DELTA COMMUNITY SUPPORT TRUST
'LIVE TO THE MAX!' PROJECT**

Following a presentation to the Deputations Meeting on 14 July by representatives of the Delta Community Support Trust, the Community Secretary reported a request for funding for its new individual empowerment programme. This programme was attempting to make a positive effort to support the urban disadvantaged in helping themselves and to grow in their lives. Mike Coleman was in attendance to answer questions.

Board members' questions related to assessment of the effectiveness of the programme and asked that progress be reported back to this Board after 6 months and 1 year from the start of the programme.

The Board **resolved** to approve a grant of \$3,000 from 1999/2000 Discretionary Funds towards the project 'Live to the Max!'.
