

**6. HEYDERS ROAD AND LOWER STYX ROAD
DRAINAGE PROBLEMS**

The Area Engineer reported progress with roadside drainage and enhancement works in the Brooklands/Spencerville area and advised works to be completed within the next six months.

The Board **decided**:

1. That the information be received.
2. That the Water Services and City Streets Units be requested to include roadside drainage works in this section of Heyders Road within their prioritised works budgets.
