

## 17. STRENGTHENING COMMUNITY ACTION PLANS

RR 10421

The Board considered a report updating it on progress of the SCAP Core Group in developing the “Strengthening Community Action Plans”.

The Board **resolved**:

1. That the Core Group obtain information on funding and related issues prior to approaching the Community Services Committee regarding the development of a community directory.
2. That a report on options for the community directory be provided to the next Community Affairs Committee meeting.
