

11. DRAFT SKATEBOARDING, INLINE SKATING AND FREESTYLE BMX CYCLING STRATEGY

The Team Leader Leisure Planning reported on the draft Skateboarding, Inline Skating and Freestyle BMX Skating Strategy. The Board **decided:**

1. To endorse the objectives and priorities of the draft Strategy.
2. That following consultation with skateboarders, the upgrade of the Thomson Park skateboard facility be put to tender by March 2000.
3. That the Board support the purchase of a mobile skateboard facility to the value of up to \$8,000 to be allocated from its Project and Discretionary allocation for youth facilities, and that the use of any temporary structures be subject to appropriate consultation.
4. That staff report on possible locations for other facilities, street skating facilities and sealed paths in parks in the Burwood/Pegasus Community Board area.
