ROSSALL STREET CYCLE LANES

The Council has issued a proposal for the introduction of cycle lanes in Rossall Street and has sought comment. Mr Peter Gerard on behalf of residents advised that a number of people were concerned that on street parking would be prohibited to provide for cycle lanes. On behalf of residents he sought consultation on the proposals by way of a public meeting. The Cycle Planning Officer advised that he expected that a report would be submitted to the Committee in February.

The Committee **decided** that Councillor Sally Buck and Fendalton/Waimairi Community Board member Val Carter together with appropriate Council officers meet with the residents to ascertain if a compromise proposal can be recommended. Discussions will also be held on the traffic lane configuration which may provide a smooth flow of traffic.
