

5. SISTER CITY CHAIRMEN'S REPORTS

RR 11154

The Committee received a report from Julie Battersby, City Promotions Co-ordinator, presenting individual Sister City Chairmen's reports on various projects, events and activities that each of the committees had completed or were in the process of currently completing.

The Committee **decided** that the report be received and the Chairmen and members of the Sister City Committees be congratulated on the excellent work they had undertaken over the past year.

In addition, it was suggested that an approach be made to Christchurch International Airport Limited regarding the possibility of providing publicity on Christchurch on screen in arrival areas.
