

**7. WORKS AND TRAFFIC SAFETY COMMITTEE  
-REPORT OF 9 NOVEMBER 1999**

RR 11109

Submitted for the Board's consideration was the report and accompanying recommendations of the Committee meeting held on 12 October. The Board **decided:**

**HARAKEKE STREET TRAFFIC CALMING**

That traffic calming measures not be applied in Harakeke Street.

**TUDOR AVENUE- SAFETY AUDIT**

1. That proposals 2, 3, 4, 5A, 6, 7, 8, and 9 be implemented as soon as possible.
2. That the construction of a road hump as suggested in proposal 5B be recommended for inclusion in the Capital Neighbourhood Works Programme.

**BUS STOP LOCATIONS GUIDELINES**

That the information be received and that it be noted that these are guidelines only and that flexibility must remain as part of the Seeking Community Views process in deciding on specific bus stop locations.

**JELLIE PARK – SKATE FACILITY CONCEPT**

1. That the concept plan as shown, be approved and detailed drawings, specifications and tender documents be prepared.
2. That the concept plan be circulated to local residents and that publicity be provided in the local newspaper(s).

Clause 19 (Part C) also records another decision made having considered the Committee's report.
