The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

Independent Fisheries Ltd being the property owners on both sides of Broad Street have approached the Council and asked if they can purchase the redundant road adjoining the frontage of their property. The proposed road stopping is not shown in the Notified City Plan. This stopping action is an extension of previous stopping actions that were carried out during the past two years.

Negotiations between Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure. The City Streets Unit agrees with this proposal. The plan is attached.

Prior to sale the following resolution is necessary to initiate the stopping action:

RESOLUTION

The Council has received a request from the adjoining owners for the purchase of the land which is no longer required by the Council for road purposes.
