The purpose of this report is to start the legal procedures necessary to stop a portion of unformed legal road alongside the Heathcote River.

The unformed portion of legal road at the rear of 950 and 1000 Ferry Road is shown in the notified City Plan as '*road to be stopped*'. The Council wishes to develop the area as a riverside reserve and walkway. As this portion of legal road is now redundant for road purposes it can therefore be stopped and declared a local purpose reserve (Esplanade) and held in the name of the Council. The Council owns all the adjoining land.

The plan is attached. The land is not formed as road but occupied by the Council and used as a riverbank reserve. Prior to stopping the following resolution is necessary to initiate the stopping action:

**RESOLUTION**

Pursuant to the provisions of Sections 319(h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that unformed portion of road as shown on the plan and described in the Schedule hereto.

**REASON FOR THE ROAD STOPPING**

The reason for the road stopping is to implement the designation as shown in the notified City Plan and to hold the land for the purpose for which it is being used.

**PURPOSE TO WHICH THE STOPPED ROAD WILL BE PUT**

The portion of road when stopped (Parcel A) will be held by the Council pursuant to Section 345(3) of the Local Government Act 1974 as a Local Purpose Reserve (Esplanade).

Parcels B-E are to be declared 'Bed of Heathcote River'.

The land is situated alongside the Heathcote River and is to be occupied by the Council for a riverside walkway and Esplanade Reserve.
