**REPORT BY THE CHAIRMAN OF THE
ENVIRONMENT COMMITTEE**

1. MILLENNIUM CLOCK – CATHEDRAL SQUARE

RR 11223

The Millennium Clock sited in Cathedral Square, has been a familiar sight to tourists and Christchurch residents alike for the past year.

It has been brought to my attention that the clock is to be covered up prior to reaching midnight on 31 December 1999, and thus will not herald in the New Year.

This is a matter which requires some debate, as it seems totally ludicrous that we have a Millennium Clock for one year and residents are denied the chance to count down the final hours.

Chairman's

Recommendation: That the Millennium Clock in Cathedral Square be uncovered for midnight 31 December 1999.

CONSIDERED THIS 16TH DAY OF DECEMBER 1999
