

**2. GROWING COMMUNITIES - ORGANIC RESOURCES
FOR SOCIAL NEEDS**

RR 11099

The Board considered a report seeking its ideas and suggestions for a project aimed at maximising the use of organic resources, currently wasted in the City, as a resource for community style gardens meeting a wide range of social needs.

The Board **decided** to:

1. Strongly support this project.
2. Request that it be involved in developing the project further.
3. Request a report back to the Board in relation to questions 4, 5 & 6 detailed in the report.
