

8. COST OF NEIGHBOURHOOD IMPROVEMENT WORKS

The Area Engineer reported on a Board request for a report on how the costs of neighbourhood improvement works could be reduced without affecting the safety or effectiveness of a specified project. The Board **decided:**

1. To receive the information.
2. To consider the provision of \$30,000 of its project funds towards specific low cost remedial works at intersection at its 16 February 1999 Project and Discretionary Funding meeting.
