RR 9180

Officer responsible City Streets Manager	Author Peter Atkinson
Corporate Plan Output: Activities on Street	

The purpose of this report is to extend the hours of operation of an existing P5 loading in Montreal Street outside the Chateau Blanc Suites.

The hotel have been experiencing problems outside the standard times that apply for a parking restriction which are 8.00 am to 6.00 pm Monday to Saturday. A consequence has been that it has been impractical for guest off loading especially when there have been events in the area.

The proposed extension of hours to apply at all times is supported by the Parking Manager

Recommendation: That the P5 Loading Zone on the western side of Montreal commencing at a point 40 metres measured in a northerly direction from a point opposite the northern boundary of Kilmore Street and extending in a northerly direction for a distance of 12 metres apply at any times.
