

6. OLDER PERSONS' POLICY

RR 9208

The Committee considered a report from Julie Macdonald, Community Relations Adviser, on the progress being made towards implementation of the Older Persons' Policy and informed the Committee that 1999 has been designated the International Year of Older Persons.

She indicated a report on the proposed strategy for implementation of the Older Persons' Policy, adopted in 1998, is expected to be presented to the Committee by July 1999.

The Committee **received** the information and requested that the report be forwarded to Community Boards for them to consider initiating projects to mark the International Year of Older Persons.
