

**4. REGIONAL PLANNING DOCUMENTS
AFFECTING CHRISTCHURCH**

RR 9177

A report from the Environmental Resource Officer set out the primary functions of the Canterbury Regional Council and how they relate to the City Council and, in addition, a list of the Regional Council's planning documents which affect Christchurch City.

The Committee **decided** to received the report and have the "urban development strategy" document referred to the joint meeting of the Environment and Resource Management Committees in July 1999.
