

24. 1998/99 BOARD OBJECTIVES – FURTHER ACTION REQUIRED RR 9141

Information was submitted indicating where further work was still required on certain objectives along with comment on action necessary to meet the indicators set.

Decisions on the various matters were made as follows:

1. That staff consider options and costings associated with improving communications with the community and report back to the Board.
2. That a meeting be held with residents groups in March.
3. That a meeting be held with the School's Cluster Group in March/April.
4. That the Area Engineer provide a status report on LATMS to a future meeting of the Board.
5. That an informal meeting with staff be held in April.
6. That the progress to date in respect of the programme for parks amenities and landscaping projects be noted.
