

28. 'GOOD NEWS' STORIES

The Burnside Residents' Support Group was congratulated on once again running a successful carols event last December.

Congratulations were also extended to the Merivale Precinct Society and to the developers who in recent dealings with the Council had been successful in retaining Leinster House in Merivale. The retention of the two villas on the Papanui Road frontage also looked promising.

The Chairman had forwarded a letter of congratulations to Mr Roger Ballantyne who had recently celebrated his 90th Birthday.

Thanks were extended to the staff for conducting another successful Board tour on 1 February.
