

**27. STYX RIVER - SEEKING COMMUNITY VIEWS**

RR 9101

The Board considered a report setting out information on the process to be used for obtaining community views on the Styx River.

Board representation on a Joint Working Party was proposed and a funding contribution was sought towards a community based event entitled 'Styx River Happening' to be run at Spencer Park on 14 March.

On these various matters, the Board **decided:**

1. That the Board support the process of seeking community views on the Styx River.
2. That Sally Buck and Mike Wall be appointed to represent the Board on the working party.
2. That \$600 from the Board's 1998/99 discretionary funds be allocated to the 'Styx River Happening'.
