

49. HAGLEY/FERRYMEAD COMMUNITY FUNDING COMMITTEE

The Board considered a report summarising the process of distribution of Hillary Commission and Council-sourced Community Development funds to local community, recreation and sporting groups. The report invited the Board to appoint Community Board representatives to the Community Funding Committee for a three year term to coincide with the three year term of Local Government office.

The Board **resolved** to appoint Liz McRostie, Linda Rutland, Derek McCullough and Bob Todd to the Hagley/Ferrymead Community Funding Committee until October 2001.
