

**46. KIDSFUN PROGRAMME – LINWOOD NORTH AND
LINWOOD AVENUE SCHOOLS**

The Board considered a report providing an update on the KidsFun programme at Linwood North and Linwood Avenue Schools. The report noted that the Board had supported this programme from the 1998/99 Project Funds and sought a commitment from the Board to continue this support in the coming financial year for the Linwood North Kidsfun programme.

The Board **resolved** to support the Kidsfun programme and to give consideration to providing funding assistance of \$6,000 for the Linwood North Kidsfun programme from the Board's Project Funds for the 1999/2000 financial year.
