The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners at Nos 48 and 50 Heberden Avenue have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property. The proposed road stopping is not shown in the Notified City Plan.

Approval in principle was given by the Council at its September 1997 meeting to dispose of the unformed portion of Heberden Avenue as the land is not required for road purposes. Negotiations between the Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure. City Streets agrees with this proposal. The land is not formed as road but occupied by the adjoining owners. The land is formed as a bark garden.

The plan is attached.

Prior to sale the following resolution is necessary to initiate the stopping action:

**RESOLUTION**

Pursuant to the provisions of Sections 319 (h) and 342 of the Local Government Act 1974, the Christchurch City Council hereby resolves to stop that portion of road as shown on the plan and described in the Schedule hereto.

**REASON FOR THE ROAD STOPPING**

The Council has received a request from the adjoining owners for the purchase of the land which is no longer required by Council for roading purposes.

**PURPOSE TO WHICH THE STOPPED ROAD WILL BE PUT**

The portion of road when stopped, will be sold to the adjoining owners pursuant to Section 345 (1) (a) (i) of the Local Government Act 1974 and amalgamated with their certificate of title pursuant to Section 345 (2) of the Local Government Act 1974.

The land is situated alongside and occupied by Nos 48 and 50 Heberden Avenue and is 2.08 m in width.
