The purpose of this report is to start the legal procedures necessary to stop a portion of legal road.

The owners at No 325 have approached the Council and asked if they can purchase the redundant road widening adjoining the frontage of their property. The proposed road stopping is not shown in the Notified City Plan. Negotiations between the Council officers and the adjoining land owners have been satisfactorily concluded subject to a successful road stopping procedure. City Streets agrees with this proposal. The land is formed as grit berm.

The plan is attached.

Prior to sale the following resolution is necessary to initiate the stopping action:
