

45. UPDATE ON COMMUNITY USE OF AVEBURY HOUSE

The Board considered a report outlining the history of the proposal to seek a community use for Avebury House and seeking an indication of future directions.

The Board **resolved**:

1. That the information be received.
2. That the Board give consideration to making a contribution of \$10,000 from its 1999/2000 Project Funds towards the future retention of Avebury House, this contribution to be used for redecoration and improvements to the interior of the building for defined future uses.
