

#### **47. WOOLSTON PARK DEVELOPMENT**

The Board considered a report advising on recent public consultation for development works in Woolston Park and seeking the guidance of the Board on how it wished to see this project proceed.

The Board **resolved**:

1. That the available funds be put towards landscape works on the lower level.
2. That the Board give consideration to providing funds for the installation of the court areas on the upper level from its 1999/2000 Project Funds.
3. That the Parks unit be requested to make available the balance of the funds necessary to complete the project.
