

**19. SUPPLEMENTARY ITEM
MONA VALE – PROPOSED PROPERTY ACQUISITION**

Approval was sought to raise an additional item of business and to deal with this new business while the public was excluded from the meeting on the grounds that negotiations were still taking place in respect of the acquisition proposal.

It was **resolved** that the supplementary item of business be considered at the present meeting and dealt with while the public is excluded from the meeting pursuant to clause 7(2)(i) of the Local Government Official Information and Meetings Act 1987.
