

8. PIONEER SPORTS STADIUM (Pool, Stadium Additions and Alterations, Creche) MONTHLY REPORT

RR 9249

The Major Projects Co-ordinator reported on progress to date with this project. He recommended that a decision on the installation and funding of the 28 proposed photo panels on the sides of the pools (estimated cost \$32,000) be deferred until the final cost of the project, including any contractors' claims, was more certain.

The Committee received the report and **decided** that the installation of the proposed photo panels be deferred until the final cost of the project could be more accurately established.
