

12. CHRISTCHURCH SPEED MANAGEMENT STRATEGY PROPOSED SPEED LIMITS 1999

Messrs Brian Neill and Andrew Hensley, City Streets Unit, were in attendance to appraise the Board of new speed limits proposed for roads and state highways within the Board area.

Within this Board area there were some 14 changes proposed. These had been the subject of consideration last June/July by the Board.

The Board **agreed** that the proposed speed limit changes should be supported and referred on to the City Services Committee for adoption.
