

9. GIBRALTAR FARM PURCHASE

Officers from the Property and Parks Units (Bill Morgan and Kelvin McMillan respectively) were in attendance to discuss their report (to Parks and Recreation Committee) on the joint purchase, with the Selwyn District Council and Government Forest Heritage Fund, of Gibraltar Farm for a scenic reserve.

(The financial information in respect of this proposal was received as a public excluded clause on the Board order paper).

The Board **agreed** to support the proposal to purchase Gibraltar Farm; this was advised to the 10 February meeting of the Parks and Recreation Committee.
