

## 20. PROPOSED ROAD NAMES – WIGRAM BASE SUBDIVISION

A newly surveyed residential subdivision at Wigram now required the Board to confirm new names, as well as alteration of a 'Place' to a 'Drive'.

Three new culs-de-sac were being formed.

The Board **resolved** that Lockheed Place, Iroquois Place and Electra Place be the names for the three culs-de-sac (a fourth suggestion of Consul Place was rejected); also, that Henry Wigram Place be changed to Henry Wigram Drive.
