

## 15. STRENGTHENING COMMUNITY ACTION PLANS

On behalf of the Community Development Planning Team, Martin Maguire reintroduced this concept; it had been the subject of an elected member seminar last November as well as being discussed by members at recent induction forums.

Members acknowledged the on-going importance that this concept would have in and with the community.

In the proposed Riccarton/Wigram “Core Group” the Board **decided** to be represented by Alison Wilkie, Bob Shearing and Mike Mora.
