

## 8. AFTER SCHOOL PROGRAMMES IN CHRISTCHURCH

A report from the Community Relations Unit provided information regarding community based after school programmes in Christchurch. The report's author, who was in attendance, said that three major research projects had indicated a need for a programme in the Styx Mill/Casebrook area and Northcote School had been identified as a possible venue.

The Board **decided** that the information be received and that a Working Party be established comprising Sally Thompson, Yvonne Palmer, Anne Carroll and Stephen Wright, to investigate initiatives in out of school care in the Shirley/Papanui area.
