

**27. NAMING OF LIVING I/E ZONE  
GARDINERS ROAD/JOHNS ROAD AREA**

The Community Advocate reported, asking the Board to recommend to the Council a name for the rural village near the Johns Road/Gardiners Road junction. A spokesperson for the residents attended with information about how the name was arrived at and tabled a petition signed by long-term residents of the area. The Board **received** the petition and agreed that a letterbox questionnaire be circulated to long term residents in regard to a name for the area and that a Working Party comprising Yvonne Palmer, Myra Barry and Dennis Hills hold a meeting, if necessary, with all residents to hear their views and report to the March meeting.
