

36. NAMING OF RUTLAND RESERVE

The Area Parks Officer reported, seeking approval to name the new park adjacent to Paparoa School. An excellent response from consultation with local residents and a public meeting held in September 1998 had resulted in the preferred name being identified as Rutland Reserve.

The Board **resolved:**

1. To formally name the area of land at the corner of Rutland Street and Tomes Road 'Rutland Reserve'.
2. That a further public meeting be held as agreed with the residents and that they be thanked for their input in the naming and development of the park.
