

## **10. PETRIE PARK LANDSCAPE PLAN AND RICHMOND BOWLING CLUB CAR PARKING**

The Area Parks Officer reported, informing the Board of progress in consulting with residents regarding the landscape plan for Petrie Park and car parking issues associated with the Richmond Bowling Club. Feedback has indicated that residents and the club wish to improve the existing situation. Plans were now being drawn up with modifications that would again be referred to residents.

The Board **decided** that the information be received and that it support funding for development of this reserve through the budget process.
