

39. STYX RIVER: SEEKING COMMUNITY VIEWS

A Water Services Unit Officer reported, with information on the proposed process for obtaining community views on the Styx River in order to assist in its sustainable management. Funding was sought towards the holding of a fun event, the 'Styx River Happening', to be held on Sunday 14 March 1999 between 10.00 am and 4.00 pm. This would be followed with a Workshop, a series of Focus Groups, and would ultimately result in a Management Strategy for the river.

The Board **resolved:**

1. To support the process of seeking community views on the Styx River.
2. To grant \$3,500 from its 1998/99 Discretionary Funds towards the cost of the Styx River Happening.
3. To appoint Yvonne Palmer and Sally Thompson to the Working Party for seeking community views on the Styx River.
