

27. 1999 NATIONAL COMMUNITY BOARD CONFERENCE

The Board considered a report providing details on the National Community Board Conference to be held in Taupo in May 1999.

Concern was raised regarding the number of people to attend and the associated cost. Accommodation and travel costs are to be investigated further.

A sweepstake was undertaken to determine which Board member would attend the conference with the Chairperson. Sonia Gill's name was drawn from the hat.

The Board **resolved** that the Chairperson and Sonia Gill be appointed as the Board's representatives to attend the conference and the cost of the Board delegates be funded from the Board's Discretionary Fund.
