

## 10. MOUNT VERNON FARM PARK

In view of the Chairperson's appointment to the Port Hills Park Trust Board, Oscar Alpers asked Sonia Gill to assume the Chair for this clause.

The Board considered information regarding the proposed Mt Vernon Farm Park waterway restoration project.

The Board **received** the information, and **decided**:

1. To support the proposed waterway restoration work in Mt Vernon Farm Park at an estimated cost of \$95,000 spread over three years.
2. To work in partnership with the Water Services Unit and the Port Hills Park Trust Board in organising the community planting days.
3. To allocate \$350 from the 1998/99 Discretionary Fund to be used for afternoon tea on the planting days, subject to the project proceeding.
