

**14. POLICY DEVELOPMENT FOR LEASES,
LICENCES AND EASEMENTS OVER RESERVES
AND COUNCIL OWNED OPEN SPACED LAND**

The Board considered a report seeking its support for the development of a standard policy for the granting of leases, licences and easements over reserve and Council owned open space land.

The Board **decided**:

1. To support the development of a standard policy for the leasing, licensing and provision of easements over Reserves and Council owned open space land to enable delegations to be exercised as requested by Council.
2. To assist and facilitate discussion within its community, especially with local sports and community groups and other interested parties to become aware of the issues which need to be addressed in formulating a policy for the granting of leases, licences and easements over reserve and open space land administered by the Council.
