

18. YEAR 2000 COMPLIANCE PROJECT

RR 9272

The Director of Finance submitted a report outlining the arrangements which have been in place for ensuring that the Council will not be adversely affected by the Year 2000 (Y2K) problem. The report outlined the work that had been accomplished to date and the work still to be completed.

The Director of Finance gave an undertaking to the Committee to report back on the provision of contingency funding for a Y2K failure.

The Committee **decided** to note the comprehensive plan for dealing with the Y2K issue and to endorse the approach.
