

## **10. EDIBLE FRUIT AND NUT TREES ON PARKS**

The Area Parks Officer and Senior Landscape Architect reported on a proposal to undertake a trial planting of edible fruit and nut trees in parks throughout Christchurch. The Board **decided:**

1. To accept the offer of planting nut trees in Avondale Park and Queenspark Reserve in consultation with the appropriate Residents' Associations.
2. That Residents' Associations be requested to select appropriate parks for future plantings.
3. That the Board request the Parks Unit to consider the planting of edible fruit and nut trees in future Parks' developments.
